"I see this event as 'fun business after 5:00pm'. Nowadays, everybody is busy and it's hard to get appointments. Here, you have the opportunity to be one on one with potential referrals in a more relaxing environment. The venues and food are always great, the conversations are always exceptional and you'll walk away looking forward to the next.

It's not who you know, it's who knows you!"
– **Roberto Lopez**, Konica Minolta Business Systems
