

Expand Your Environmental Presence Through FSC® Certification

The Regional Affiliate Certificate Group (RACG) has partnered with SCS Global Services to provide streamlined, affordable, member focused opportunities for printers with sales volumes above \$5 million. **Become FSC® certified with these five easy steps!**

- 1) Apply
- 2) Receive the On-Site Process assessment with expert guidance
- 3) Audit report generated - Includes hands-on documentation assistance
- 4) Certificate Issued
- 5) Use SCS' responsive on-product logo support throughout the audit year

Class 4 **\$4,070.**
\$5,000,000 to \$25,000,000 in sales

Class 5 **\$4,880.**
\$25,000,000 to \$100,000,000 in sales

All Inclusive Pricing -- Rapid Turn-Around Support – Training & Webinar Instruction

- Customized options are also available for multi-site members and/or members requiring dual certification
- This program is offered to members of all Affiliates of the Printing Industries of America

The mark of
responsible forestry

Use the world's most widely recognizable symbol of environmental stewardship to share your companies' commitment to sustainable purchasing. Certification will open up new markets and demonstrate your dedication to ensuring responsible forestry.
