ARE YOU PROPERLY INSURED?

Because you wear so many hats each day, you may not be thinking about the risks your changing business faces until a problem arises and you find out that you are not fully protected. Together we can evaluate how your needs may have changed over the past year.

- Have the mailing address and/or physical location of your business changed?
- Has there been any increase/decrease in the amount of business/personal property/equipment you own?
- Has there been any increase/decrease in your company's payroll or sales?
- Have you added or eliminated any vehicle used in your business operations?
- Are the billing plan and deductible on your policy right for your business?
- Are you protected against cyber threats like ransomware?

After the evaluation, we could make coverage recommendations, provide peace of mind solutions, and even reduce your costs. Join us and meet Joanne Cadenas, our PIASC Insurance Services Operations Manager. She is ready to answer your commercial insurance questions.

Cheryl Chong, PIASC's Human Resources Director, brings with her eighteen years of experience as HR Director for manufacturing firms in the Los Angeles area. She has a MS in Human Resource management and a BS in Communications from Chapman University. She has been helping member firms with their HR issues including in-plant training on HR issues. She is your "go to" person before you take an HR step that might cost you big time.
