

Strategies for Safety & Savings

WORKERS' COMP

HIGH EX-MOD? Do you feel at the mercy of the workers' compensation system? How about feeling like you have no control over the premiums you pay or how the insurance company is managing an employee's injury? PIASC Insurance Services is holding an informational session on Safety & Risk control.

**Wednesday,
February 7th**

Session I: 10:00 am
Session II: 1:00 pm

These sessions will include:

- Information for those who have the responsibility of risk control, safety compliance or employee injury management.
- Defining the "mysterious" line of insurance and provide you with insights and best practices that help you contain costs and ensure injured employees return to work as soon as medically possible.
- Modification factors, pre & post employee injury management best practices
- How to gain support from employees to promote workplace safety

Presenter:
Jan A. Beaver,
*Vice President, Risk
Advisors,*

Jan has worked at Preferred Employers Insurance for 19 years and exclusively in the workers' compensation insurance industry for 32 years. Jan's empathy for business owners and those responsible for managing insurance programs has taught him to "keep it simple".
