PIASC

September 2017

HOW ELSE CAN WE HELP YOU?

Are you making sure PIASC saves you money? Do you have questions on employment policies? Do you need a great APR on a loan? Are you making sure you get paid right away? Join us for a meet and greet with Cheryl Chong, HR Director for PIASC. Not only will she answer any questions you may have on employment policies, she'll be able to let you know about all our other benefits and services to make sure you get all the bang for your membership bucks!

This newly re-branded and relocated morning roundtable will take place every other month beginning with September at a location near you. Enjoy breakfast, great discussions and get answers to your questions in person.

Cheryl Chong, PIASC's Human Resources Director, brings with her eighteen years of experience as HR Director for manufacturing firms in the Los Angeles area. She has a MS in Human Resource management and a BS in Communications from Chapman University. She has been helping member firms with their HR issues including in-plant training on HR issues. She is your "go to" person before you take an HR step that might cost you big time.
